

Opening Ceremony - Cyber Master 2024/2025

10 Things to Know About Cyber

Diogo Gomes - Representative for Cyber 2nd Intake

- 1. Prepare yourselves for an adventure**
In theory it seems amazing, but in practice is more complex.

2. Rita and Bruna are the most important people

Sorry Prof. Gamito

3.

Cyber won't be your perfect master

It's a master for people from Human Behavior (from different background) and for people from Exact Sciences and Engineering (from different Background)

4. Cyber is still growing

Always give feedback!

5. Explore what you what to do

In- and Outside of the Master Classes

6. More than a family, you are classmates

It's not a fairtale story but can be a great one

- 7. Support on each other**
 - Even if you feel you are alone, you are not the only one

**8. After each moment of anxiety, you will
gave a moment of peace**

After each step - the moving around, the exams, the adjusting
- you will get to enjoy new cities and new people.

9.

Show your culture to one another

An amazing opportunity to learn more about the world

10. **Lean on your older siblings**
You have about 40 of them
